

# Sun and Stars

With spirit

Sun wakes up at morn-ing,  
Stars wake up at eve - ning,  
And goes to bed at eve - ning.  
And go to bed at morn-ing.

Sun wakes up at morn - ing,  
Stars wake up at eve - ning,  
And brings us light.  
And play all night.

James Whitcomb Riley

## A Song From the Shore

Poco marcato

Frederick Winthrop

Sail! Ho! Hail! Ho! The sail-or he sails the sea;  
I wish he would cap-ture a lit-tle sea-horse,  
And send him home to me. Hail! Ho! Sail! Ho!  
A - hoy! A - hoy! A - hoy! Who calls to me,  
So far\_\_ at sea? On-ly a lit - tle boy.
